Parent's Code of Ethics

Parents will encourage good sportsmanship by demonstrating positive support for all players, coaches and officials at every game, practice or other youth sports events.

Parents must remember that the game is for the children and not for the adults.

The following will be deemed unacceptable behavior of parents, coaches or fans. Anyone displaying such behavior will be asked to leave.

- use of vulgar language
- taunting the opponents
- fighting
- violence
- intoxication
- screaming at the officials or coaches
- intimidation of officials, coaches or players
- coming onto the field of play or game floor

It is not the children who have brought the ugliness into youth sports, it is the adults. All of us who have allowed it to happen, regardless to what degree, should feel shame.

I hereby pledge to provide positive support, care and encouragement for my child / children participating in youth sports by following this Parent's Code of Ethics.
